

Northpoint PTO Karnival

“Sponsor A Day”

FUNDRAISER

How it works: Ask donors (family, friends, yourself) to pick one or more days to sponsor on your family calendar. Write the donor’s name on the date(s) for your records, donor donates that amount. Example: 23rd = \$23 donation or 15th, 7th & 3rd = \$25 donation to our awesome school! For each week you complete, your family’s name will go into the drawing for EVERY single prize! See Goal Chart for details.

Payments: You can take payments however you’d like: cash, check (made out to you), PayPal, Venmo, etc. When you’re ready to turn in your calendar, you write **ONE** check made out to “Northpoint PTO” or cash in the total amount donated!

Prizes: There will be 30 Prize Drawings (1 for each day of the month) at the end of the Fundraiser. The more weeks you complete, the more entries your family receives for each prize drawing. The drawings will be held on Thursday, May 6th! More details to follow.

Due Date: All calendars (even if not complete) and donations are **due by Wednesday, April 28th**!

We know this looks very different than the Karnival we’re all used to, but we lost \$16,000 in Karnival profit last year and will lose another \$16,000 this year without this fundraiser. We are doing our very best to try and recoup some of that loss, while still finding a way to give away some awesome prizes! This is not set up to mimic Raffle Baskets in the same way we’re used to, but meant to be a fun way to raise lost funds for our school, with a little Karnival flair mixed in. We hope your family will consider participating as much as possible and we hope you all have some fun along the way.
