

NORTHPOINT PTO UNRAISER 2020-2021

If you have a student or family member at Northpoint this year, **please consider making an Unraiser contribution.** The Unraiser is one of the primary fundraising methods of the Northpoint Parent-Teacher Organization (PTO). We never ask you to solicit friends or family to purchase items to raise money for our school! Proceeds are used to purchase equipment, fund activities, and provide wish list items for the students and staff. **100% of your donation goes directly to the school!** In past years, we have used Unraiser donations to buy new iPads, laptop carts, drinking fountains, and library bookshelves, to name a few. Funds are also used to support Field Day activities, staff appreciation, and much more!

You have TWO ways to donate:

- 1) Make your donation through our online donation site.
You may donate using a credit card or electronic check for a small processing fee.

- 2) Write a check. Complete the form below and mail it along with your donation to the school.
You may also send the completed form and donation with your student once in person learning resumes.

Your employer may match your Unraiser donation (many of them do)! Some may also match donations on Giving Tuesday (the Tuesday after Thanksgiving) – be sure to check with them before donating.

Your contribution is fully tax deductible [the Northpoint PTO is a 501(c)(3) organization].

Thank you for your generous support!
